

"When I visited Haven House I knew this was a place which would give Malachi the very best care, and look after him with dignity. The care is personalised and the staff listen to you. They make sure he gets all the things which can keep him well."

Mum, Sylvia

To Vicky and all at Greenway Kindergarten

I am writing on behalf of Haven House to say a huge thank you to all the staff, children, parents and carers for all their support with your sponsored walk on 16<sup>th</sup> June. It was such a lovely event which has raised a fantastic \$471.90! Well done everyone!

Thank you for inviting me along, it was lovely to see the children working so hard on such a hot day. Children helping children is so powerful, and I hope they feel very proud.

Many thanks, Ginny x
